SWISS THERMAL PAPER

Smooth Print Experience

WHY SWISS BRAND?

Our products boast of excellent track and adhesion to surface, strong grip, superior adhesive backing & longer shelf life. Producing peak performance even under extreme conditions of pressure and temperature.

Corrugated Roll

Custom Printed Thermal Paper

Color Thermal Paper

OUR PRODUCTS

PLAIN/COLOR THERMAL PAPER ROLL

SWISS BRAND thermal paper rolls are compatible with a wide range of thermal printing devices and credit card terminals. Warning stripe that signal the end of the roll and are designed to prevent paper jams in your printer. Also available in choice of your colours, that goes well with your Brand.

SELF ADHESIVE TAPE

One of the essentials. Mostly used as stationery for offices and homes. Furthermore, we conduct a variety of quality tests on our products before dispatching them to our clients' sites.

PRINTED SELF ADHESIVE TAPE

SWISS BRAND Custom Printed Tape eradicates pilfering and tampering. Using packaging tape printed with your business logo and information is the perfect method of advertising while packaging boxes which are to shipped to customers or clients.

Barcode Wax Ribbon

Air Bubble Roll

CORRUGATED ROLL

SWISS BRAND easy to wrap rolls are excellent filling material for packing. Ideal for wrapping products and interleaving. Superb for protecting larger volume products during shipping and dispatch.

STRETCH FILM ROLL

Stretch film is a recyclable film used to improve the stability of products or packages, as well as giving protection from dust, moisture and package pilferage. Stretch film is widely used in the logistic, electronic, and food industry.

AIR BUBBLE ROLL

SWISS BRAND provides excellent surface protection against accidental impact & scratches. Transparent, hygienic, dust free & non toxic. One of the few products out in the market that is environment friendly and 100% recyclable.

STRAPPING ROLL

SWISS BRAND premium grade Strapping roll is reliable and cost effective. These rolls are ideal for high volume work. Our Strapping is made from durable material and comes in a roll which is machine grade for use with semi-automatic and automatic strapping machines.

FLOOR MARKING TAPE

This product is ideal for identification of hazardous regions such as construction sites and commonly used as safety warning. SWISS BRAND is known for its high resistance to solvents, oil and water. Notable Features includes excellent adhesion, resistant to chemicals and smooth texture

BAR-CODE WAX RIBBON

SWISS BRAND superior wax ribbons are primarily used for general purpose labelling, shipping labels, address labels, garment tags, price tickets, warehouse applications, compliance label printing, including shelf and bin labels, retail tag and label applications

FOOD WRAP CLING FILM

Our biodegradable Cling Film wrap keeps food products free from dust and other contaminants thus protecting them at the same time displaying the product.
